

Alliance Theatre

institute

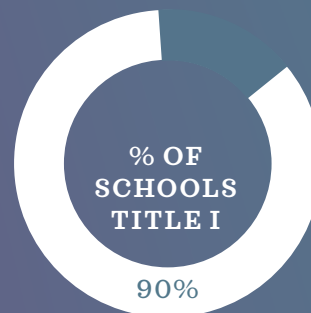

The Alliance Theatre Institute partners with districts and schools to elevate teacher practice and impact student academic and social-emotional growth through arts integration, STEAM, and theater.

Designed to support school curriculum and individual classroom goals across all grade levels (Preschool through Grade 12) and content areas, Institute programs include residencies, workshops, and professional learning events.

In addition to Institute programming, Alliance Theatre education programs partner with schools through field trips and after-school programs.
